Today more than ever before, the film, gaming, and animation industries are now a global marketplace. Companies are inundated with resumes of international studios and experienced professionals. This means it is now more important than ever, for schools to offer students access to professional voice actors in order for their grad films, thesis, or demo reel to compete after graduation.

- VETERAN CHARACTER VOICE ACTORS
- ADULT AND CHILDREN VOICE OVERS
- SCRIPT & STORYBOARD CONSULTATION
- NARRATIVE & CHARACTER DIALOGUE
- SENT AS SINGLE .MP3'S READY TO USE

### The Process is simple

- 1) Students request service via a semi-customized form online.
- 2) Students are contacted.
- 3) Script and/or storyboard is submitted to studio.
- 4) Studio has private web chat to discuss character details.
- 5) Casting & Recording of all dialogue is completed.
- 6) Master tracks of each character is delivered to students via the internet.
