## Getting Your Voicetoons Made

Here is the Voicetoons character voice process!

1st - you need to fill out your school student voice over request form located online at;  
[http://www.anthonyreece.com/reece/southhampton\\_request.html](http://www.anthonyreece.com/reece/southhampton_request.html)

2nd - submit your script, storyboard & a character profile for each character.  
***THIS IS A MUST HAVE FOR US.***

3rd - contact our studio at [ask@voicetoons.com](mailto:ask@voicetoons.com) to arrange a live chat about your project & characters.

4th - after the chat, we cast & record each character's dialogue, edit & send for you tests for approval

5th - we recut, or replace any lines with issues, master & send a final zip file containing "single files" in MP3

This is the basic process. If you have any questions please email us at [ask@voicetoons.com](mailto:ask@voicetoons.com) or visit us online at; <http://www.voicetoons.com/school.html>

Note: It is important that you do not contact us for "pre-production assistance" until you're 100% ready for dialogue and voice over services. We look forward to working with you and seeing your final films.

Good Luck!
